CORE LAB ANNOUNCES PUBLICATION OF ITS 2024 CORPORATE SUSTAINABILITY REPORT

HOUSTON (August 29, 2024) - Core Laboratories Inc. (NYSE: "CLB") ("Core", "Core Lab", or the "Company") is pleased to announce the publication of the Company's 2024 Corporate Sustainability Report. The Report underscores Core Lab's pursuit of a more sustainable future through science, innovation, and responsible leadership.

"At Core Lab, we remain steadfast in our commitment to sustainable growth, a foundational principle that continues to shape both our long-term strategy and our daily operations," said Larry Bruno, Chairman of the Board and Chief Executive Officer. "Core's actions are tightly aligned with the Company's focus to deliver the most advanced and reliable reservoir analysis in the world, enabling our clients to maximize resource efficiency while minimizing environmental impacts."

Core Lab takes a comprehensive approach to sustainability reporting, guided by globally recognized standards and frameworks, including the Greenhouse Gas Protocol, the Global Reporting Initiative (GRI), the Sustainability Accounting Standards Board (SASB), and the Task Force on Climate-Related Financial Disclosures (TCFD). These disclosures highlight Core's progress toward its environmental, social, and governance (ESG) goals.

Gwen Gresham, Senior Vice President of Investor Relations and Corporate Development, and Sustainability Steering Committee Chair, added: "Core Lab remains committed to tracking performance against defined targets, reporting transparently, and integrating sustainability into business decisions that deliver long-term value for our clients, employees, and shareholders."
